

DECLARATION

MOSTINK studio guarantees single-use sterile needles and other materials (certified inks, disinfectants, and others) used in the creation of your tattoo, which meet European standards.

I consent to my son /daughter having a permanent tattoo done at Paradogs Tattoo Studio.

At the same time, I confirm with my signature that:

- a) have I and my son/daughter been instructed about the tattoo, its care and possible complications if the instructions are not followed for tattoo care.
- b) my son/my daughter did not consume alcohol, drugs, pain relievers or any other medication before the tattoo, which could complicate the course of the tattoo and its healing.
- c) my son/daughter does not suffer from any blood, skin or infectious disease, chronic heart or circulatory disease, poor blood clotting, epilepsy, diabetes, liver disease or any other disease that would make tattooing inappropriate or risky.
- d) my son/daughter does not suffer from allergies/Suffers from allergies, but we consulted a doctor beforehand about the suitability of the tattoo, who confirmed, that there are no risks or complications.
- e) Paradogs tattoo studio is not materially responsible for contamination of clothing and personal belongings during tattooing.
- f) I take responsibility for all potential problems and consequences associated with tattooing.

I confirm the truthfulness of the statements and information provided above with my signature, and that I have been informed of the aftercare instructions for my tattoo and will follow them.

I accept responsibility for any consequences resulting from failure to follow these instructions.

I agree to the use of personal data for the purposes of Paradogs tattoo studio.
